

DO I CONTRADICT MYSELF

Lyric by Tom Attea

Do I contradict myself.
I guess I do.
So tell me, babe,
What else is new?

I say I love you,
And the I go and do
Something that hurts you.

Do I contradict myself,
I guess I do.
So tell me babe,
What else is new?

I know that youre
The gal for me.
No doubt about it,
Easy to see.

So what's wrong with me
Can't you see,
I'm a hopeless crude
And dusty dude.

What's wrong with me.
Will you tell me
What the hell is wrong
When I can't see
You're the gal for me?

Do I contradict myself.
I often do.
So tell me, babe,
What else is new?
What the hell else is new?
