

LOVE FEELINGS

Words by Tom Attea

Got information everywhere.
School books and magazines,
TV news and lots of talk.
But somethin's missin'.
Got to get some feelings in my life.
Got to get some love feelings.
Come on, babe, know we can do it
For each other, get some feelings
In our lives, some love feelings.

Got things all over the place.
Got my jeans and sneaks,
Got my walkman, too,
With songs that make know --
Got to get some feelings in my life,
Got to get some love feelings.
Come on, babe, know we can do it
For each other, get some feelings
In our lives, some love feelings.

Took a while for me to feel it,
Took a while for me to see it.
Got cold facts all around,
Can't find much human warmth.
And know I can't go on
Like this 'cause I got to,
Just got to feel somethin' deep
And good, and how 'bout you?

Got people all around me,
Sayin' hi and good-bye,
Yes and know and how much
Something costs, but I
Got to get some feelings in my life,
Got to get some love feelings.
Come on, babe, know we can do it
For each other, get some feelings
In our lives, some love feelings.

Yeah, love feelings,
Got to get some love feelings,
Love feelings!
