

ONLY BEAUTIFUL FOR YOU

Words by Tom Attea

You told me once it's just too hard
To love someone like me,
Because so many other guys
Want me for what they see.
But don't you know
I'm only beautiful for you?
Doesn't it show
I'm seein' through
Them all to you?
'Cause, babe, I'm only beautiful,
Only beautiful for you.

So when you see me in a crowd
Of guys or on the phone,
Don't write me off, because without
You, babe, I'm all alone.
Oh, don't you know
I'm only beautiful for you?
Doesn't it show
I'm seein' through
Them all to you?
'Cause, babe, I'm only beautiful,
Only beautiful for you.

When other guys
Look in my eyes
And say sweet things,
Each word just brings
Me back to you
And wishing, dear,
That you were near
And they were you.

So please forget the other guys.
I promise if you try
A little to get close to me
You'll be my only guy.
'Cause, don't you know
I'm only beautiful for you?

Doesn't it show
I'm seein' through
Them all to you?
'Cause, babe, I'm only beautiful,
Only beautiful for you.
